Note: All plans are just suggested areas where we can meet and mingle. Enjoy your cruise and do whatever your heart desires!!

Note: All NPPT guests should get free drinks while playing in the casino. See me Friday night for details.

Note: This Itinerary is a work in progress and my change the day of boarding so try and find me ASAP to get updated version.

Note: Individual gratuities and beverages are the responsibility of each guest and will be billed to each cabin individually through your FunPass cards. There are some minimum gratuity requirements that will be automatically billed. You should inquire about these amounts when we are on board.

Note: www.airportparkfly.com and www.unitedairportparking.com

These two websites offer parking for \$43 if you prepay online. I do not know if these websites are reputable but at least you have options. They market that they run shuttles from parking garage to Port of Miami every ten minutes. The parking at the PORT itself is \$20 per day so you it is about half the price. Good Luck!!!!
